

# AKSHAY MEHRA

## PROFESSIONAL EXPERIENCE

### **SITU Studio**

*August 2011 — Present*

New York, NY

Designer

Developed specifications for GIRI (Grinding, Imaging and Reconstruction Instrument), part of the new Digital Fossil Reconstruction Lab at Princeton University. Leveraged numerous architectural tools and methods to create visualizations and analysis for the Forensic Architecture project. Produced shop drawings and CNC toolpaths for various fabrication projects.

### **Fake Industries and Architectural Agonism**

*January 2010 — December 2010*

New York, NY

Intern

Utilized CSS, HTML, PHP5 and Wordpress in order to conceptualize and develop an online presence for the firm. Collaborated on the design and production of two competition entries.

### **Haverson Architecture and Design**

*June 2010 — August 2010*

Greenwich, CT

Intern

Produced construction documents for ongoing projects. Aided in the schematic designs for both a small-scale restaurant and an artist's studio. Led research for a waterfront redevelopment proposal, complete with expository photo collages.
